CLASS II.

Jungle fuel ... 6,000 tons per month

3. Tenders must be in a strong cover, sealed and marked "*Tender for the supply of fuel to Bangalore*". It must be addressed to the Director of Food Supplies in Mysore, Bangalore. When a tender is sent by post, the cover must be enclosed in a second strong cover, with a sample seal. The outer cover will also be addressed to the Director of Food Supplies in Mysore, Bangalore; but may not bear any indication of the contents. Erasures or alterations in the tender should be initialled. The tenders will be opened by the Director of Food Supplies in Mysore, Bangalore in his office at 4 P.M. on 15th February 1951.

4. The tender rates must be per ton, for each kind of fuel, noted in para 2 both in figures and in words, the delivery of fuel being at the Licensees' Shops in the Corporation.

5. In the case of Firm tendering, all the partners of the Firm should sign the tender.

6. Each tender should be accompanied by a chellan for Rs. 5,000 credited in a Mysore Government Treasury, as earnest money. The amount should be deposited under the Head "Revenue Deposit" and in the name of the Director of Food Supplies in Mysore, Bangalore.

7. The name of the successful tenderer will be duly notified. On issue of notice of acceptance, the successful tenderer will enter into an agreement with the Director of Food Supplies in Mysore, Bangalore, on a duly stamped paper, embodying the necessary conditions for the observance of the Contract.

8. Tenders submitted hold good till definitely rejected. The Director of Food Supplies in Mysore, Bangalore, reserves to himself the right of rejecting any or all of the tenders, without assigning any reason whatsoever.

9. The earnest money of the unsuccessful tenderers will be returned after the rejection of the tender.

10. The successful tenderer will deposit in the name of the Director of Food Supplies in Mysore, Bangalore, a sum of Rs. 40,000 for the due performance of the contract as per the conditions of the agreement, he will have to enter into, with the Director of Food Supplies, Bangalore.

11. The security deposit will be liable to forfeiture in full or in part for failure to conform to any of the conditions of the agreement or to any of the subsidiary instructions or orders issued at the discretion of the Director of Food Supplies or the Special Officer, Fuel Supplies from time to time. The decision of the Director in all such matters shall be final.

12. The fuel supplied shall be dry, and sound, neither worm-eaten nor green, heavily barked or knotty wood will not be accepted. Billets exceeding 3 feet in length or girth or less than 2 inches in diameter may be rejected.

13. The fuel received by road in lorries shall pass over the Weigh Bridge situated in the Office of the Inspector-General of Police. The Contractor shall accept the officially recorded road or rail weighment.

14. No contractor shall be allowed to sub-let the contract to any one else, without the permission of the Director of Food Supplies in Mysore, Bangalore.

15. As far as possible and on the distinct understanding that it will not be treated as a condition precedent, the Special Officer, Fuel Supplies, Bangalore City, will help the successful tenderer in getting wagons, and commandeer private plantations and permit them to work forest areas reserved for fuel supplies to Bangalore Corporation. Casuarina fuel secured through Government agency will be excluded from the supplies made by the Contractor.

N. MADHAVA RAO,
Director of Food Supplies.

8096

OFFICE OF THE SPECIAL OFFICER, FUEL SUPPLIES, BANGALORE.

Notification dated 19th January 1951.

No. F6, 1052—50-51. It is hereby notified for the information of the intending purchasers that the casurina plantations noted below, situated in the main supply depot near Krishnarajapuram Railway Station (where the Police Training School is now located), Bangalore South Taluk, will be sold by public auction at the above place on 8th February 1951 at 11 A.M., by the Special Officer, Fuel Supplies, Bangalore.

PARTICULARS OF THE PLANTATIONS.

Sl. No.	Where situated	No. of trees	Age of the trees
1st Plantation	Behind Tile Factory	About 985	About 12 to 15 years.
2nd Plantation	By the side of the tank to the West of the Police Training School	About 345	About 9 to 10 years.
3rd Plantation	By the side of the Police Training School Canteen.	About 345	About 9 to 10 years

CONDITIONS OF SALE.

1 The sale will be in respect of all the three plantations taken together.

2 The sale is inclusive of the roots and brush wood of the trees.

3 Intending bidders should deposit a sum of Rs. 100 as earnest money on the spot before they are allowed to bid. In respect of unsuccessful bidders, the earnest money will be refunded after the sale.

4 The casuarina plantations will be knocked down to the highest bidder who should immediately deposit 50 per cent of the bid amount inclusive of the earnest money already paid, *vide* clause 3 *supra*.

5 The sale is subject to confirmation by the Director of Food Supplies in Mysore, Bangalore, who reserves the right of accepting or rejecting any bid without assigning any reason therefor.

6 The highest bidder should pay the balance of the bid amount within three days after communication of the confirmation order.

7 If the bidder fails to pay 50 per cent. of the bid amount as per clause 4 *supra* or the balance of the bid amount as per clause 6, the casuarina plantations will be put up for re-sale and any loss sustained by such re-sale will be recovered from the original bidder, who, however, will not be entitled for profit, if any. If he fails to pay, it will be recovered from him as arrears of land revenue.

8 The casuarina plantations may be inspected on any day before sale and objections regarding the number, age etc., should not be raised after the sale.

9 The purchaser should commence the exploitation of the casuarina plantations within three days after receiving the confirmation order and payment of the amount and complete it within a period of one month from the date of commencement of the exploitation and give possession of the lands. Any trees, roots or brush wood still remaining at the end of the period will be at the disposal of Government.

10 All resultant fuel except brush wood of not more than one inch in diameter and roots with stems of not more than six inches should be supplied exclusively for Civil Supplies, Bangalore, under permits issued by the Special Officer, Fuel Supplies, Bangalore, at the existing controlled rate of Rs. 31-4-0 per ton, for delivery at the Depot in the Bangalore Corporation. Every lorry load of fuel removed from the plantations should pass over the Weigh Bridge and the officially recorded weight should be accepted.

11 The purchaser will be permitted to supply casuarina roots to Civil Supplies at jungle fuel rates, if he so desires and if not he may dispose of the same and brush wood, after obtaining permission from this office, which will however be granted only after completion of the exploitation of the three plantations.

12 If transport is arranged through Government by lorries Re. 1 per laden mile upto Weigh Bridge and Rs. 2 per ton for internal transport will be charged.

13 The exploitation will be supervised by the Fuel Inspector of the Taluk concerned and the purchaser should furnish correct accounts of the number of lorry loads of casuarina fuel removed from the casuarina plantations, etc., whenever desired by him or his Assistants.

14 Any diversion of the fuel from the plantation for other than Bangalore Civil Supplies will be deemed a breach and will entail the purchaser to forfeit his right for the unexploited portion of the plantation and the amount due to him by Government, if any, for supplies of fuel made till then, and will also be liable for prosecution.
